Voting Exclusions

In accordance with the requirements of the *Corporations Act 2001* (Cth) and the ASX Listing Rules, the Company will disregard any votes cast on Item 2 (Adoption of Remuneration Report), by or on behalf of either of the following persons:

- a member of the Company’s KMP (as defined below), details of whose remuneration are included in the Remuneration Report in respect of the financial year ended 30 June 2024; or
- a Closely Related Party (as defined below) of such a member.

However, a person (the **voter**) described above may cast a vote on Item 2 (Adoption of Remuneration Report) as a

proxy if the vote is not cast on behalf of a person described above and either:

- the voter is appointed as a proxy by writing that specifies the way the proxy is to vote on the resolution; or
- the voter is the chair of the Annual General Meeting and the appointment of the chair as proxy:
 - does not specify the way the proxy is to vote on Item 2; and
 - expressly authorises the chair to exercise the proxy even though Item 2 is connected directly or indirectly with the remuneration of a member of the Company's KMP.

Under ASX Listing Rule 14.11, the Company will also disregard any votes cast in favour of Item 4 (Approval of issue of securities under Shaver Shop Executive Long Term Incentive Plan) by or on behalf of any Director (except one who is ineligible to participate in any employee incentive scheme of the Company) or any associate of such a Director.

However, this does not apply to a vote cast in favour of Item 4 by:

- a person as proxy for a person who is entitled to vote on Item 4, in accordance with directions given to the proxy to vote on Item 4 in that way; or
- the chair of the Annual General Meeting as proxy for a person who is entitled to vote on Item 4, in accordance with a direction given to the chair to vote on Item 4 as the chair decides; or
- a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on Item 4; and
 - the holder votes on Item 4 in accordance with directions given by the beneficiary to the holder to vote in that way.

In addition, a vote must not be cast on Item 4 by a member of the Company's KMP, or a Closely Related Party, acting as a proxy, if their appointment does not specify the way the proxy is to vote on Item 4. However, this voting exclusion does not apply if the vote is cast by the person chairing the Annual General Meeting as an undirected proxy for a person entitled to vote which expressly authorises the chair to exercise the proxy even

if that item is connected directly or indirectly with the remuneration of a member of the Company's KMP.

If you appoint the chair of the Annual General Meeting as your proxy and you do not direct your proxy how to vote on Items 2 or 4, you will have expressly authorised the chair of the Annual General Meeting to exercise your proxy even if that item is connected directly or indirectly with the remuneration of a member of the KMP.

Key Management Personnel ("KMP")

The Company's KMP comprise all persons having authority and responsibility for planning, directing and controlling the activities of the Company and its controlled entities, directly or indirectly, including any Director. The Company's KMP at the time of the Directors' Report are its Directors and other executives disclosed in the Company's Remuneration Report.

Closely Related Party

A "Closely Related Party" is defined in the *Corporations Act 2001* (Cth) and includes a spouse, dependant and certain other close family members, as well as companies controlled by the KMP.

Attorney

The Company will also apply the above voting exclusions to persons appointed as attorney by a shareholder to attend and vote at the Annual General Meeting under a power of attorney – on the basis that references to persons attending and voting as a proxy are read as references to persons attending and voting as an attorney and references to an instrument under which a proxy is appointed are read as references to the power of attorney under which the attorney is appointed.

Additional information for shareholders

Entitlement to attend and vote at the Meeting

All shareholders may attend the Annual General Meeting. The Board has determined for the purpose of Regulation 7.11.37 of the *Corporations Regulations 2001* (Cth) that shareholders will be taken to be those persons recorded on the Company's register of members as at 7.00 pm (Melbourne time) on 12 November 2024. Shareholders will be entitled to vote in respect of the number of Shaver Shop shares registered in their name at that time. Accordingly, share transfers registered after that time will be disregarded in determining entitlements to attend and vote at the Annual General Meeting.

Voting by joint holders

In the case Shaver Shop shares are held by joint holders, if more than one joint holder is present at the Annual General Meeting (whether personally, by proxy or by

attorney or representative) and tenders a vote, only the vote of the person whose name stands first in the register will be counted.

Voting by Proxy

If you are entitled to attend and vote at the Annual General Meeting, you may appoint a proxy to attend and vote at the Annual General Meeting on your behalf. A proxy does not need to be a shareholder of the Company. If you are entitled to cast two or more votes at the Annual General Meeting, you may appoint two persons as your proxy or proxies to attend and vote at the Annual General Meeting. If you appoint two proxies and you do not specify the proportion or number of your votes, each proxy may exercise half of your votes on a poll. Fractions of votes will be disregarded.

Unless the shareholder specifically directs the proxy how to vote, the proxy may vote as he or she thinks fit (except as specified in the voting exclusions in this Notice of Annual General Meeting) or abstain from voting.

The Proxy Form (and any Power of Attorney under which it is signed) must be received as detailed on the Proxy Form not less than 48 hours before the time for holding the 2024 Annual General Meeting. Proxy Forms received after that time will be invalid.

Please refer to other notes appearing on the Proxy Form.

Corporate Representatives

A shareholder, or proxy, that is a corporation and entitled to vote at the Annual General Meeting may appoint an individual to act as its corporate representative.

Evidence of appointment of a corporate representative must be in accordance with section 250D of the *Corporations Act 2001* (Cth) and be lodged with the Company before the Annual General Meeting or at the registration desk on the day of the Annual General Meeting.

Undirected Proxies

Subject to the *Corporations Act 2001* (Cth) and the ASX Listing Rules, the chair of the Annual General Meeting intends to vote all undirected proxies in favour of each item of business. If there is a change in how the chair intends to vote undirected proxies at the Annual General Meeting, Shaver Shop will make an appropriate announcement to ASX stating that fact and explaining the reasons for the change. However, Shaver Shop encourages all shareholders who submit proxies including proxies in favour of the chair to direct their proxy how to vote.

Resolutions by Poll

In accordance with clause 61 of the Company's Constitution, the Chair intends to call a poll on items 2 to 5 proposed at the Annual General Meeting, rather than a

show of hands. The Chair considers voting by poll to be in the interests of the shareholders as a whole, and to ensure the representation of as many shareholders as possible at the meeting.

Explanatory Notes

These notes form part of the Notice of Annual General Meeting and are intended to provide shareholders with an explanation of the items of business of the Company's Annual General Meeting ("AGM" or "Meeting") and proposed resolutions. The Board recommends that shareholders read these Explanatory Notes carefully before determining how to vote on a resolution.

If shareholders have any doubt as to what to do, they should consult their legal, financial or other professional adviser.

Items of Business

Item 1. Financial and Other Reports

As required by section 317 of the *Corporations Act 2001* (Cth) ("**Corporations Act**"), the Financial Report, Directors' Report (which includes the Remuneration Report) and Auditor's Report of the Company for the financial year ended 30 June 2024 will be laid before the Meeting.

The 2024 Annual Report of the Company is available on the Company's website:

<http://investors.shavershop.com.au/investors>

A reasonable opportunity will be given to shareholders as a whole at the AGM to ask questions about or make comments on these reports and the management or performance of the Company.

Representatives of the Company's auditors, PricewaterhouseCoopers, will be present at the Meeting and available to take shareholders' questions relevant to the conduct of the audit, the preparation and content of the Auditor's Report, the accounting policies adopted by the Company in relation to the preparation of its Annual Report and the Auditor's independence in relation to the conduct of the audit.

As a shareholder, you may submit a written question to the auditor prior to the Meeting provided that the question relates to:

- the content of the Auditor's Report; or
- the conduct of the audit of the Financial Report.

All written questions must be received by the Company no later than 5 business days prior to the Meeting. All questions should be sent to the Company Secretary (by e-mail to larryh@shavershop.com.au) and not directly to the auditor. The Company will forward all questions to the auditor.

The auditor will answer written questions submitted prior to the Meeting. A list of the written questions (if

any) will be made available to shareholders attending the AGM at or before the start of the AGM.

There is no requirement for a formal resolution on this item of business.

Item 2. Adoption of Remuneration Report

As required by section 250R(2) of the Corporations Act, the Remuneration Report of the Company for the financial year ended 30 June 2024 will be laid before the AGM and a resolution that it be adopted will be put to a vote. Although there is a requirement for a formal resolution on this item by operation of section 250R(3) of the Corporations Act, the outcome of the resolution is advisory only and does not bind the Directors or the Company. However, the Board will take the outcome of the vote into consideration when reviewing the remuneration policies and practices of the Company.

A reasonable opportunity will be provided at the AGM for shareholders as a whole to ask questions about, and make comments on, the Remuneration Report.

One of Shaver Shop's core philosophies is that the attraction, development, engagement and retention of passionate team members provides a competitive advantage and differentiation within the market which the Board believes is fundamental to the long-term success of the Company. The Company's remuneration policies have been developed to provide market competitive remuneration in order to sustain the Company's competitive position and protect the interests of shareholders. The Board considers that the remuneration policies adopted by the Company, as outlined in the Remuneration Report, are appropriately structured to provide rewards commensurate with the Company's performance as well as with comparable companies within the sector.

The Remuneration Report is set out on pages 22 to 34 (and Notes 29 and 31 of the financial statements) of the Company's 2024 Annual Report. It is also available on the Company's website at <http://investors.shavershop.com.au/investors>

In summary, the Remuneration Report includes:

- an explanation of the Company's policy for determining the remuneration of Directors and other KMP of the Company;
- a discussion of the relationship between the remuneration policy and the Company's performance;
- details of the performance conditions associated with the remuneration of Directors and other KMP of the Company; and
- the remuneration details for each Director and other KMP of the Company, including the value of

any Performance Share Rights granted to any of those persons.

While the shareholder vote on the Remuneration Report is advisory only, the Corporations Act provides for a “two strikes rule” in relation to voting on the Remuneration Report.

In summary, the rule gives shareholders the opportunity to require a general meeting to be held to re-elect the Board (other than the Managing Director) if the Remuneration Report receives “two strikes” (at least 25% of the votes cast on the resolution are against the adoption of the Remuneration Report) at 2 consecutive annual general meetings.

The Company’s Remuneration Report for the year ended 30 June 2023 was adopted at the 2023 annual general meeting of the Company held on 9 November 2023 by more than 98% of the votes cast.

Voting exclusions apply to this resolution as specified in the Notice of Annual General Meeting.

Subject to the Corporations Act, the chair of the Meeting intends to vote all available proxies in favour of this resolution.

Board Recommendation

Noting that each Director has a personal interest in their own remuneration from the Company as set out in the Remuneration Report, the Board recommends that shareholders **vote in favour** of this resolution.

Item 3. Re-election of a Director – Mr Craig Mathieson

Chair of the Audit & Risk Committee

Mr Mathieson was appointed a Director of the Company in May 2011.

Craig brings to the Board extensive experience in retail and corporate management. For the last 14 years, Craig has been the Chief Executive Officer of the Mathieson Group which has diverse business interests from company investment to property development. From 2001 to 2007, Craig was the Managing Director of DMS Glass Pty Ltd which was the largest privately owned glass manufacturer in Australia. He currently sits on the Board of Endota Group Holdings Pty Ltd. Craig has a banking and commercial background gained while working with the ANZ Bank and St George Bank.

The chair of the Meeting intends to vote all available proxies in favour of this resolution.

Board Recommendation

The Board (with Mr Craig Mathieson abstaining) recommends that you **vote in favour** of re-electing Mr Craig Mathieson as a Director of the Company.

Item 4. Approval of issue of securities under the Shaver Shop Executive Long Term Incentive Plan to Mr Cameron Fox, CEO and Managing Director

This resolution deals with the proposed grant of Performance Share Rights under the Shaver Shop Executive Long Term Incentive Plan (**Plan**) to Mr Cameron Fox, the Managing Director and Chief Executive Officer of the Company. The Plan was approved by shareholders at Shaver Shop’s 2022 annual general meeting on 10 November 2022.

The Company proposes to grant a total of 420,000 Performance Share Rights to Mr Fox on or around 14 November 2024 under the terms of the Plan subject to shareholder approval (**proposed grant**). The number of Performance Share Rights proposed to be granted has been calculated using a face value allocation methodology which divides Mr Fox’s FY24 long-term incentive opportunity (being approximately \$516,600) by the 5-day volume weighted average price of Shares following release of the Company’s FY24 annual results.

The proposed grant under the Plan to Mr Fox is to further encourage and facilitate share ownership for Executive Directors and as a means for enhancing the alignment of interests between Executive Directors and shareholders generally.

The Plan is governed by the rules of the Shaver Shop Executive Long Term Incentive Plan the details of which are presented in Schedule 1.

Under ASX Listing Rule 10.14, shareholder approval is required in order for a Director to be issued securities under an employee incentive scheme.

Accordingly, approval is sought for the proposed grant to Mr Fox of 420,000 Performance Share Rights under the Plan. For the purposes of Listing Rule 10.15, the key terms are detailed in Schedule 2.

ASX Listing Rule 7.1 imposes a 15% cap on the number of equity securities that can be issued by Shaver Shop without approval of shareholders in any rolling twelve-month period. However, Shaver Shop is permitted to issue shares (or other securities) without those securities counting toward the 15% limit if those securities are issued in reliance on an exception to ASX Listing Rule 7.1 or the issue is approved by shareholders.

The resolution in Item 4, if passed, will provide approval for this purpose in relation to both the Performance Share Rights and any Shares issued on vesting of those

rights. If approval is given under Listing Rule 10.14, the issue of such Performance Share Rights to Mr Fox will not count toward the Company's capacity to issue Equity Securities under ASX Listing Rule 7.1, in accordance with Exception 14 in ASX Listing Rule 7.2.

If shareholders do not approve the resolution in Item 4, the proposed issue of Performance Share Rights to Mr Fox will not proceed. However, to ensure Shaver Shop can attract and retain the right talent and align Mr Fox with those of shareholders, the Board considers it is important for Shaver Shop to offer incentives to its directors and executives that are in line with market practice. The Board would need to consider alternative remuneration arrangements.

The Company has determined that the proposed grant of Performance Share Rights under the Plan pursuant to the resolution in Item 4 as part of Mr Fox's remuneration package will constitute the giving of reasonable remuneration for the purposes of Chapter 2E of the Corporations Act.

A summary of the key terms of the Performance Share Rights grant to Mr Cameron Fox is in Schedule 2.

ASX Listing Rule 10.15 contains requirements as to the contents of the Notice of Meeting sent to Shareholders for the purposes of ASX Listing Rule 10.14 and the following information is included in these Explanatory Notes for that purpose:

10.15.1 Cameron Fox or his nominee.

10.15.2 Cameron Fox is a Director of the Company and therefore ASX Listing Rule 10.14.1 requires shareholder approval for Cameron Fox to acquire securities under an employee incentive scheme.

10.15.3 The maximum number of Performance Share Rights to be issued to Cameron Fox is 420,000.

10.15.4 Cameron Fox's total remuneration package for FY2024 include:

- Fixed remuneration and superannuation of \$650,000;
- Maximum short term incentive opportunity of up to \$300,000; and
- Face-value of equity settled performance share rights of approximately \$516,600.
- A maximum total remuneration package of approximately \$1,500,000.

Further information regarding the remuneration of Cameron Fox is set out in the Company's Remuneration Report which forms part of the 2024 Annual Report.

10.15.5 Cameron Fox previously received a total of 840,000 securities under the Plan, comprising 420,000 securities as approved by shareholders at the 2022 Annual General Meeting, and 420,000 securities as

approved by shareholders at the 2023 annual general meeting. No acquisition price was paid by Cameron Fox for these previously issued securities.

10.15.6 A summary of the material terms of the Performance Share Rights are included below in Schedule 2.

The Performance Share Rights are being issued to further encourage and facilitate share ownership for Executive Directors and as a means for enhancing the alignment of interests between the Managing Director and shareholders generally.

The number of Performance Share Rights proposed to be granted has been calculated using a face value allocation methodology which divides Mr Fox's FY2024 long-term incentive opportunity (being \$516,600) by the 5-day volume weighted average price of Shares following release of the Company's FY2024 annual results.

10.15.7 It is intended that the Performance Share Rights will be issued to Cameron Fox on or around 14 November 2024 subject to shareholder approval. In any event the Performance Share Rights will be issued no later than three years after the date of the Meeting.

In the future, it is proposed that grants of Performance Share Rights or options under the Plan will be made annually, following announcement of the Company's full-year financial results. The Board will have discretion to make grants at other times. The Plan Rules provide the Board with flexibility in relation to annual offers. Any future issues to Directors under the Plan will only be made if shareholder approval is received.

10.15.8 The Performance Share Rights will be issued to Cameron Fox (and/or his nominee) for nil cash consideration and no cash consideration will be payable upon the conversion of the Performance Share Rights or the subsequent issue of Shares (if any). Accordingly, no funds will be raised from the issue or conversion of the Performance Share Rights.

10.15.9 A summary of the material terms of the Plan are included below in Schedule 1.

10.15.10 No loan will be provided to Cameron Fox in relation to the Performance Share Rights to be issued under the Plan.

10.15.11 Details of any securities issued under the Plan will be published in the annual report of the Company relating to the period in which they were issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14.

Any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in an issue of securities under the Plan after the resolution is approved and who were not named in the Notice of Meeting will not participate until approval is obtained under that rule.

10.15.12 A voting exclusion statement - See section Voting Exclusion above.

Board Recommendation

The Board (with Mr Cameron Fox abstaining) consider that the award of securities to Cameron Fox is an appropriate incentive in the best interest of Shaver Shop Group Limited and therefore recommends that shareholders **vote in favour** of this resolution.

Voting exclusions apply to this resolution as specified in the Notice of Annual General Meeting.

Subject to the Corporations Act, the chair of the Meeting intends to vote all available proxies in favour of this item of business.

Item 5. Change of auditor

As part of a routine process, Shaver Shop's Audit & Risk Management Committee decided to review its options in relation to its auditor relationship having regard to both cost and qualitative considerations.

As a result of the review, the Audit & Risk Management Committee has recommended, and the Board has resolved, to recommend a change of external auditor from PricewaterhouseCoopers to Grant Thornton. Under the Corporations Act, members must approve the appointment of a new auditor.

ASIC must also consent to PricewaterhouseCoopers' resignation as auditor for it to be effective.

PricewaterhouseCoopers' resignation can only take effect from whichever of the following is last to occur:

1. The conclusion of the Company's 2024 Annual General Meeting; and
2. The day on which ASIC gives that consent.

Broderick Arnhold, being a member of the Company has nominated that Grant Thornton be appointed as auditor of the Company, assuming that ASIC consents to the resignation of PricewaterhouseCoopers as auditor. In accordance with section 328B(3) of the Corporations Act, a copy of the notice of nomination is included at the end of these Explanatory Notes at Schedule 3.

The Board unanimously recommends that shareholders **vote in favour** of Item 5 at the Company's Annual General Meeting. Subject to the Corporations Act, the chair of the Meeting intends to vote all available proxies in favour of this item of business.

Participation rights of options and rights

Options and Performance Share Rights do not confer the right to participate in new issues of Shares or other securities in the Company.

However, subject to the ASX Listing Rules, the Plan provides for adjustments to be made to the number of Shares which a participant would be entitled on the exercise of Options or Performance Share Rights or the exercise price (if any) of the Options or Performance Share Rights in the event of a bonus issue or pro-rata issue to existing holders of Shares (other than an issue in lieu or in satisfaction of dividends or by way of dividend reinvestment) or a reorganisation of capital.

Performance will not be retested if the Vesting Conditions above are not satisfied at the end of the performance period. Any Performance Share Rights that remain unvested at the end of the performance period will lapse (subject to the Board discretion).

Cessation of Employment

If Cameron Fox ceases to be an employee of the Company prior to the vesting of Performance Share Rights, the treatment will depend on the circumstances of cessation.

If Cameron Fox is terminated prior to the end of the Performance Period as a 'good leaver' (as defined below), Cameron Fox will be entitled to retain a pro-rata amount of his unvested Performance Share Rights based on the proportion of the performance period which has elapsed at the date that his employment ceases. Any remaining unvested Performance Share Rights will lapse, and any retained Performance Share Rights will remain subject to the applicable Performance Condition.

If Cameron Fox has retained Performance Share Rights, or his Performance Share Rights have been treated in a particular manner, upon him ceasing to be employed by the Company, and the Board subsequently becomes aware of circumstances in existence at the time that his employment ceased, or which arise during the remainder of the performance period (including where he has joined a competitor during the performance period) which would, in the opinion of the Board (acting reasonably and in good faith), have resulted in the Performance Share Rights lapsing or being treated in a different manner the Board may determine make a determination under rule 7.2 of the Rules (including that any or all Performance Share Rights held by him will immediately lapse) if it determines, acting reasonably and in good faith, that such action is warranted. If Cameron Fox's employment with the Company is terminated in circumstances in which Cameron Fox is not considered a 'good leaver', unvested Performance Share Rights will immediately lapse, unless the Board determines otherwise.

Good leaver

For the purposes of this Invitation, Cameron Fox will be considered to be a 'Good Leaver' if:

- his employment or engagement within the Group ceases or is otherwise terminated (or notice of termination or resignation is provided or received by the Group, as applicable) and the Company agrees to treat Cameron Fox as a Good Leaver: or
- his employment or engagement within the Group ceases or is otherwise terminated (or notice of termination or resignation is provided or received by the Group, as applicable) as a result of:
 - death, terminal illness or total and permanent disablement of Cameron Fox;
 - genuine redundancy of Cameron Fox; or

- a Group Company terminating Cameron Fox without 'Cause' (as defined below).

Cause

For the purposes of this Invitation, 'Cause' means, in respect of Cameron Fox:

- the commission by Cameron Fox of a crime or misdemeanour involving moral turpitude, fraud or any other act or omission involving dishonesty;
- conduct of Cameron Fox which the Company determines (acting reasonably) was intended to materially harm or has materially harmed the business of any Group Company or, based on the illegal, immoral or unethical nature of such conduct, has brought or could reasonably be expected to bring any Group Company into public disgrace or disrepute;
- the commission by Cameron Fox of any act or the occurrence of any event which, under the terms of Cameron Fox's employment or engagement with a Group Company, would warrant termination with immediate effect;
- the commission by Cameron Fox of a material breach of the terms of Cameron Fox's employment or engagement with a Group Company (including breach of any non-compete or restraint clause);
- any circumstances resulting in Cameron Fox being banned from acting as a director of a company under the Corporations Act; and

Control and Takeover events

If a change of control event occurs with respect to the Company, the Board may determine, in its discretion, the manner in which all unvested Performance Share Rights will be dealt with. This may include determining that some or all of the Performance Share Rights will vest, lapse or remain on foot.

Where the Board does not exercise its discretion and a change of control event occurs, unless the Board determines otherwise, any unvested Performance Share Rights will vest on a pro-rata basis to time, based on the proportion of the performance period that has elapsed at the time of the change of control event.

Clawback and malus

Amongst other things, the Board can determine to lapse unvested Performance Share Rights or recoup proceeds from vested and exercised Performance Share Rights in certain circumstances (for example, in the event of fraud, dishonesty, serious misconduct or gross negligence).
